Re: Spay and Neuter

To Whom It May Concern,

Thank you for contacting the Floyd Humane Society (FCHS) to request discounted spay and neuter assistance for your companion animal(s). Once we receive your completed application and a **\$20 deposit for each animal**, you will be contacted with your scheduled date and your balance for the procedure. Please be patient. We are all volunteers and usually book one month at a time. If you have sent in an application, **you will be contacted when space is available.**

We are able to offer spay and neuter services at a discount through the low cost spay/neuter clinic at Mt View Humane in Christiansburg. Mt View brings a transport van to Floyd the first Tuesday of each month, at 7:15 am, to pick up our animals, and takes them to Christiansburg for the surgeries. The animals will be returned at 8 am the next morning (clinic keeps them overnight). We meet the transport behind the Exxon station in Floyd (across from Hardees). The quoted prices are based on a household income of less than \$40,000, or on the fact that the pet has been adopted from the Humane Society or the pound, or that the pet is a stray that you have assumed responsibility for. Modern techniques and trained staff will be used to care for the animals and responsible precautions will be used against injury or escape of the animal. Please understand that FCHS is NOT responsible for any problems that may arise due to your pet's surgery.

Your deposit is non-refundable and is applied toward the costs of your pet's spay or neuter. It is your responsibility to make sure that your pet shows up for your appointment. If you are unable to keep your appointment, you must contact the FCHS spay/neuter coordinator at 745-7207 at least 48 hours prior to your scheduled time so that we may fill the space with those on our waiting list. **If you do not call, you will forfeit your deposit.**

Warm Regards,

The Floyd County Humane Society
